# Rule 20

The Responsibility of the Sun Knight

There is only one  
prisoners, and  
she can only marry  
one person. Once  
Elly is out of  
the picture, my  
darkest will only  
be a matter of time.

Elly?  
As if that  
were possible  
under such  
circumstances.

Why  
are you  
covering him?

**ARE  
YOU TWO  
ALLIES?**

**BEHOLD  
POWER NOT  
TWO SHINY  
SWORDS  
POWER MEAN  
POWER IN  
YOUR FIST!**

Your  
sword-  
relationship  
is very good,  
probably better  
than mine. You  
also surpasses  
me in terms  
of physical  
strength.

That is  
true.

**Elly!**

You'll have  
to rely even  
with his  
help.

**Let's  
fight  
each other  
fair and  
square!**

Can you two  
stop admiring  
each other?

Still,  
it'd be great  
if Supreme-  
Dragon Hell  
and the Son of  
the God of War  
got along with  
each other.

This way, Elgah won't  
be seen as a deserter by  
the spectators or the  
Royal Knights.

As a knight, your advantage  
doesn't lie in single combat.  
It's already very impressive  
of you to have held on for so  
long against two abnormally  
powerful opponents.

This is the situation I'm trying  
to create. Elgah can hold his  
own against these two for sev-  
eral minutes even though he is  
at a disadvantage, and when it  
comes to directing an army, he  
is definitely superior to  
the other two.

Crisal

Whoa!  
That!

You've  
already done  
really well,  
Elgah!

Completely  
worth it!

WHO  
DARES TO  
THREAT-  
EN THE  
PRIN-  
CESS?

PRIN-  
CESS?

THE  
PRINCESS  
IS IN  
DANGER,  
ELLIAM!  
PROTECT  
THE  
PRINCESS!

BAM!

Oh...

HEH  
HEH  
HEH-

ELIJAH!!

I'M  
HERE FOR  
REVENGE,  
REVENGE,  
REVENGE!

THIS  
IS...

The  
Curse of  
Darkness!

Urgh

## BANSHEE

A type of cursed creature.  
While I say "cursed" positively,  
but only because if a girl willingly  
sacrifices for a woman in despair and  
turns herself into a banshee as  
"exchange" for the power  
to seek revenge.

He abandoned me and murdered my unborn child.

Oh, my baby! Please forgive your mother!

Hahaha! I'm not talking about the Princess. I'm after His Majesty the King!

**DON'T BE RIDICULOUS! WHY WOULD YOU HAVE A GRUDGE AGAINST HER HIGHNESS THE PRINCESS?**

Nonsense! I've never seen you in my life.

Clashed

STAY...  
STAY  
AWAY!

Rustle  
Rustle

Rustle  
Rustle

Clatter

All regular attacks and  
curses are best  
futile against the  
combined strength  
of the Holy Knights  
and Royal Knights.

Crack

...she's still  
a victim of my  
scheme.

Although she is a  
barbarian,

and quite  
possibly a bar-  
barian created  
by Pink,

*just can't  
bear...*

*to watch her  
suffer...*

OWN  
KNIGHT!

That's  
impossible...  
I specifically asked  
Pink to pick the  
fastest but least  
fatal cure!

ELIJAH...  
I'M LOSING  
HIM!

WAKE UP,  
ELIAH!

Your  
highness, to  
keep Eliah alive,  
please crush  
these beads.

until Sir  
Cross the  
Pope finishes  
the incantation  
of the Ultimate  
Healing Spell.

Mustn't ever  
start.

CALM  
DOWN,  
JASMINE.  
SLOW  
DOWN!

ENOUGH  
THEM  
PAPER  
BAGS!  
MAKE  
THEM  
MAKE  
EFFECTIVE!

Elia? That's  
right, I don't  
need to feel so  
destrought.

I was going  
to give this money  
to the King as an  
apology anyway!

To help  
him  
with his  
bad.

It hardly  
matters  
even if he  
dies!

Elia  
Elia

Elia

REALLY?  
IS THAT  
TRUE?

She's  
indeed able  
to cast the  
Resurrection  
Spell.

But I  
would never  
use this kind  
of Divine Magic  
unless it was  
absolutely  
necessary!

W-WHY?

THE  
SUN KNIGHT  
CAN CAST THE  
RESURRECTION  
SPELL, RIGHT?

It is extremely easy to cast the spell on a cursed soul. In fact, the spell does not even do a counter-curse as the victim will not stop in time or the spell might not be casted.

Moreover, the Resurrection Spell may cause various side effects. In some cases, the resurrected came back with a pair of horns, fur all over their body or an extra pair of arms. Some even lost their mind or became a vegetable...

Because there are simply too many restrictions with casting the Resurrection Spell. First of all, it can only be cast within the first eight hours of death. For every 3 curses more than eight hours old, it will turn into an undead creature!

Secondly, the Resurrection Spell does not work on people who die of old age, disease or poison.

Resurrection demands a price far heavier than death.

Furious

Ah/  
The knight  
voluntarily protects  
the Princess with  
his own life, and  
the Princess sheds beautiful  
tears of grati-  
tude. How  
touching  
this is!

If I were to  
trample on such  
sincere love, even  
the benevolent  
God of Light would  
regrudge me!

# Walking Encyclopedia

Basically, the Sun Squad is equally popular among the civilians, the Church of Light, as well as the Holy Temple. Even Jotten ask them for favors.

Even's popularity among the Holy Knights is about the same as Light's. Some of them are even in love with her.

Even's second-in-command is a girl named Light. She is the youngest of the young ones. Her age is 14.

Why did they suddenly bring up Even?

✧ **Popular** ✧

It is my belief that the benevolent God of Light only wishes for a beautiful romance to come to fruition and does not take pleasure in unnecessary fights and bloodshed.

Osiris

Are you really going to let them fight? Please tell me so I can mentally prepare myself.

OW

She I thought we could finally go all out...

OH I JUST WANT THEM TO FIGHT

I see, it seems I can trust them with more errands in the future.

HAVE YOU  
FORGOTTEN OUR  
AGREEMENT,  
YOUR MA-  
JESTY?

Your Majesty,  
I propose to construct a  
new division in  
Forgotten Echo  
for the Temple  
of War.

as an  
apology  
to be 'Son of  
the God of War  
on behalf of the  
Princess for  
not being able  
to reciprocate  
his feelings.  
How does  
that sound?

Even Sun  
has backed  
down, so why  
are you still  
making the  
situation so  
awkward?

HUMPH!

I accept.  
Honestly, I  
don't want  
to come  
between his  
lovebirds  
anyway.

No objections.

Well, if  
it's a sincere  
apology.

Can you two  
stop it, or  
will you  
keep doing  
this?

With that,  
there's no  
need to  
resume  
the duel.

Hardly, we  
are neighbors  
after all!

Indeed!  
That's the true  
nature of the  
God of War: the  
Sun Knight's  
understanding of  
our duty is truly  
admirable.

Indeed!  
From what I've  
heard, the God of  
War is an extremely  
sentimental deity.  
He would never  
interfere with  
someone's love.

After spending  
on a time for the space  
with Supreme-Dragon  
Hall, the Son of the  
God of War left hap-  
pily with his warriors,  
without even a back-  
ward glance for  
the Princess.

It  
would  
be my  
pleasure.

Well Knight,  
I'll see you  
in two days.  
Let's see  
again before  
I go!

And so  
they live happily  
ever after. Praying  
by to the God of  
Light, my brothers,  
let us return to  
the Church.

The  
Royal Knights  
study Eljah  
and me  
incredulously.

Isn't  
that  
good  
friend?

Why does  
the One Knight  
is ready for  
Eljah?

Effish  
came to me  
in secret.

"Please  
hang up for  
the night, now  
before word  
on Effish."

I've  
been with a  
message  
from His  
Majesty the  
King.

*This actually  
means the King  
accepts my apology.  
I can't say for  
sure if he has  
completely let go of  
his grudge against  
me, but at least  
he won't cause me trouble  
over again.*

Several  
days  
later,

Then  
please accept  
the deepest  
gratitude of  
"Shen", Captain  
Sun Knight,  
first -

Reborn

?

What's up  
with the Fake  
Hell Knight?

Please accept  
the deepest  
gratitude of the  
upkeepperson  
of the God of  
Light, Shen.

*Of course  
I know how much  
it means to him. The  
Judgment Knight  
used to be really  
depressed, but after  
I cheered him up  
with those words,  
he has never  
refused my  
unreasonable  
demands.*

Please  
rest assured  
that even  
though the  
Temple of  
War has both  
grafted  
penetration  
to spread to  
Forgotten  
Eternity,

the Royal  
Knights, Her  
Highness the  
Princess and I will  
always remain  
loyal to the  
Church of  
Light.

Captain  
Hell Knight  
will be glad  
to hear it.

No, you  
misheard  
me.

I was saying  
I would love to  
be acquainted  
with Captain  
Hell Knight and  
spare with him  
some time.

Heard? Why  
would you accuse  
the Hell Knight of  
being a fool? I  
don't know what  
you mean.

Sure, Sun  
will definitely  
come to you as  
a friend if he ever  
finds himself  
in a pinch.

Then I'll be on  
my way, Sun Knight.  
Should you ever re-  
quire my help, just  
come find me.

Please  
know that I would  
do anything for you  
except betray the  
royal family.

How you  
travels are  
shocking to  
them, huh?

Yes, I'll spill  
the secrets!

Because that is  
impossible. There  
are also worshippers  
of the God of Light,  
in whom Ordel,  
so it's natural that  
there are worship-  
pers of the God  
of War and even  
the God of Chaos  
in forgotten  
Elio.

Yes,  
I couldn't  
let the Prin-  
cess marry the  
Son of the  
God of War no  
matter what.  
That would be  
disastrous!

a "Princess" is a very  
appealing word to young  
men.

a. The King is hairless, so the child born to the Son of the God  
of War and the Princess could possibly inherit the throne. It would  
be the biggest disaster the Church of Light has ever faced if the  
"Grandsons of the God of War" become King of forgotten Elio!

b. "Royal Knights" are viewed as heroes by many youngsters in  
the country. If the Son of the God of War were to become part of  
the royal family, it would raise the faith of the Royal Knights,  
and their young fans would follow suit.

Even  
without  
a union  
between the  
Son of the  
God of War  
and our  
Princess.

A lot of  
youngsters in  
our country have  
already converted  
to worshipping the  
God of War. A  
religion is not a  
country - we can  
hardly define it by  
its territory.

So you  
never meant  
to keep the God  
of War out of  
forgotten  
Elio.

As if  
I'd miss that  
offer if that  
weren't the  
case!

Since the older  
generation won't be  
easily swayed in their  
faith, the young ones  
are the true key. Elise  
is the leader of the  
younger generation  
among the Royal  
Knights. Secure  
his loyalty and you  
have the entire  
Royal Army.

With Elise  
married to the  
Princess and their  
future child in the  
line of succession,  
the Church of Light  
will remain firmly  
rooted in Forgotten  
Echo even though  
the Temple of War  
has founded a  
new division  
here.

As a result,  
your reputation  
among the Royal  
Knights has been  
founded. "Ruler"  
Kata really  
did...

You even deliberately  
damaged Elise after the  
deal for saving Ruler to  
create the impression that  
you would go so far as to  
endorse the presence of  
the Temple of War in the  
country in exchange for  
the Princess's freedom  
just to repay Elise...

This  
contract could  
have easily been  
resolved by a private  
negotiation between the  
King and the Son of the  
God of War. A simple  
demand for the "Son of  
the God of War" to with-  
draw his marriage proposal  
and the princess too found  
a new division of the Temple  
of War in compensation,  
and the case would have  
been resolved. But you  
just had to turn it into a  
wedge between the Royal  
Knights and the  
barons from the  
Temple of War...

You know me very well, Judge, but don't get too presumptuous!

I am genuinely grateful to Eliah for saving Adair. How could you question this, of all things?

I'm truly sorry for misunderstanding you. But in my defense, I only reached that conclusion because I was a bit misled by your recent methods...

You're right? I made a show of thanking Eliah in front of everybody for a reason.

but I wasn't to under myself to the Royal Knights. I did it to prevent Eliah from being suspected of conspiring with the Holy Temple!

Unmovable!

I'm sorry.

And  
you.

Lenus  
Judgment,  
who knows  
me so well, are  
amused  
by me?

In the recent  
two incidents,  
spent from the  
former fat pig  
of a king, who  
got what he  
deserved, who  
also has been  
honored

because of  
my schemes?

I am the Sun  
Knight and Stern  
are missions that I  
must accomplish. I  
have always done my  
best to keep everyone  
out of harm's way and  
resolve everything  
the best I can!

I am truly  
very sorry, I  
mean it!

Captain  
Sun Knight,  
you have indeed  
accomplished your  
mission without  
causing harm  
to anyone.

Lesuri,  
I'm trying  
to forgive  
you.

But you  
really have  
gone too  
far.

"Strengthening  
our followers"  
falls in my  
most important  
duty, and I have  
never forgotten  
what I should  
and shouldn't  
do as the Sun  
Knight.

I admit,  
my methods  
were under-  
handed, but  
I only resorted  
to them because  
I had no other  
choice and I  
didn't want  
anyone to  
get hurt!

I'm sorry.  
In the name of  
Lesuri Judgment,  
I swear to the  
God of Light I  
shall never make  
this mistake  
again.

...is this even necessary? Since when have I ever not fulfilled your demands?

Fine. I'll forgive you if you agree to fulfill my demands from now on in the future.

...then climbing over the wall to buy blueberry puffs official business?

That was just a casual request, not a demand.

My demands are mostly about official business, but occasionally I also have personal favors to ask of you.

Not at the moment, but you never know. So I'd better extract your agreement as insurance while you're in the wrong.

I see. You have personal matters so outrageous that making 'casual requests' won't work, so you need to make 'demands'?

And how should we deal with 'Supreme-Dragon' help?

I'm just taking advantage of him, so I'll take whatever I can get.

**Deal!**

Deal!

OK!

You must be surprised at the value of 'Capt. Gen. Hall Knight'!

A Death Lord  
right here in the  
Church of Light.  
The main base of  
anti-undead  
forces!

I wonder  
who's in more  
danger, us  
or him?

But he's  
a highly  
dangerous  
Death  
Lord!

No one in  
the Holy Temple  
has dared challenge  
you to a duel since  
you were thirteen.  
Now that he's back,  
you finally have

someone to  
spar with.  
Or do you  
have enough  
free time to  
travel all the way  
to the Temple of  
war to challenge  
the son of the  
Gods now, even  
with your heavy  
workload?

Sigh

Do what  
you like. I just  
realized...

But he  
could hardly be  
more dangerous  
than you.

Resigned~

That's  
weird. Things  
should have  
all quieted  
down"

Oh, right.  
The Pope asked  
for you.

And  
I'm to be  
the best  
man?"

What? The  
Son of the God  
of War and the  
Princess of Moon  
Orion are get-  
ting married?"

Pap...

CAN I TURN  
THIS DOWN? I  
WANT TO STAY  
HOME----

## Neko Kreuz Postscript

Hi everyone, I'm Neko Kreuz~  
I'm so happy that Volume 5 is finally released!!

This is the end of the second novel. Elfish can live on as a Royal Knight, the Princess doesn't have to marry the son of the God of War, and Sun has given everyone a happily ever after in his own way~ (throws confetti)

Though Judge was wrong to blame him, Sun has gained three unconditional favours in return!

I'm particularly fired up whenever I draw their squabbles. Drawing Gria's different facial expressions is so interesting ^^

About the Sacred Dragon Mail, the real mail has already been bound to Sun through a blood pact since the first volume, so Egloria's appearance as Hell is just a magical disguise, not the real Sacred Dragon Mail!

In the next volume, our sheltered Gria Sun, who has zero survival skills in the wilderness, will be on a journey far from his beloved home~

He is in for some tough times without Judge's nurturing (?) or Frost's assaults!

See you next  
volume! ♡

Will the image designs be modified every volume? Is it very bothersome for sensei? I tried drawing this (Cloud) ... I'm embarrassing myself >< Please kindly accept my offering.

Neko: The image designs are pretty much fixed for now XD You've put a lot of work into little Cloud! Thank you ♥

**Qs Re Yell (Taiwan)**

What kind of tea does Yume prefer?

Yume: Oolong tea with no sugar

**Qs Violet (Hong Kong)**

How do the Twelve Holy Knights celebrate their birthdays?

Yume: Frost bakes the birthday cake and Leaf cooks a lovely meal for everyone.

Then they'll give the birthday boy presents. But when the birthday boy happens to be Frost or Leaf, they have to magically prepare their own birthday feast.

**Qs White Wings (Taiwan)**

Will Neko Krazu-sensei adapt Yume-sensei's other works into manhua?

I really want that to happen.....!

Also, I'm so happy we can send our questions to this mailbox.

They might go unanswered but I'm still very grateful. Thank you!

Yume: That's very possible! But it all depends on how efficient Neko Krazu-sensei is! (Yes, hurry up Neko!)

**Qs Li Yue (Taiwan)**

Will "Legend of the Sun Knight" be translated to English or Japanese?

Yume: There are people translating the series into English on the Internet.

I'd love to have "Legend of the Sun Knight" officially published in English and Japanese for the enjoyment of their native readers, but we'll see.

**Qs relax (Taiwan)**

Has Yume-sama ever thought you'd become this popular?

Yume: This is completely unexpected. It just sort of happened.

But I like to think of popularity as a side effect. The most important thing is that the worlds and characters I've created can be shared with more people. This gives me more joy than anything.

**Qs Re Ye (Taiwan)**

I'm dying to know what Gristle's secret gesture is when he's serious!

Do other Holy Knights also have their own gestures when they're serious?

Yume: The gesture has already been hinted at in "18"

Yes, the others also have their own little habits, but they're not as obvious as Sun's

# Legend of the Mailbox continued...

Q: Yui Zhe (Taiwan)

Is the manga adaptation of "Legend of the Sun Knight" very different from the original novel? Nabe: I try to keep it as loyal as possible, but some parts are left out due to space constraints... > < Yuiwei: There are changes in the sequence of events and some details, but the overall difference isn't very big.

Q: Tan Qing (Taiwan)

Err... Everyone's so handsome it makes me feel super inferior! And I love Frost so much... Frost was so cute when he was little! I want to see more of Frost! (The others all look like kittens now!) You draw really well! Please keep up your good work!

Nabe: Thanks as much I'll do my best! > < I also love Frost! For some reason I've always assumed he smells of freshly baked bread... (wipes sweat)

Q: Zhao Yis (Taiwan)

1. Yuiwei-sensei, could you please tell me some basic information on Roland?

2. What do the Twelve Holy Knights do when they're on holiday?

Yuiwei:

1. Roland: A dead handsome man. So tragic. Actually, everything about Roland has already been covered in the books. As for his height, weight, necktie size, birthday and things like that, I don't really like making them up - because I'll just end up forgetting them.

2. There are also moments of what they do during holidays in the books. Sun applies facial masks and leaves wine. The others also have their own habits, and they're pretty easy to guess, like Judge probably spends his time practicing swordsmanship, Leaf goes shopping for a phone, and Storm continues doing his paperwork.

Q: up (Taiwan)

I love LSK I love LSK I love LSK I love LSK I love LSK (etc.)

The moment Sun turned around and said "Beach Star" in the first volume, I was completely enraptured by him. He really looks like an angel. I became obsessed with the members of "Legend of the Sun Knight" and started following Nabe Kurotsune's blog and Facebook (and Plink), as well as the "Legend of the Sun Knight Manga" Facebook Page. It's like a dream-come-true to see a novel I love visualized.

But many readers thought the style was too shoujo, so artists worked hard to come it down to please more readers. Though I personally prefer the former style, I'm still grateful for artist's hard work.

A literary work is a communication between author and readers, and we can all feel how much effort artist has put into LSK. The current style is also amazing. The beautiful scenes (Sun is so handsome) and the variety of the whole book makes me incredibly happy and excited whenever I get my hands on a new volume, and I devour it with a grateful heart.

We readers are on Nabe Kurotsune's side. We all love "Legend of the Sun Knight"! Let us all embark on the way illuminated by the benevolent God of Light and march forward hand-in-hand for the sake of upholding our faith, my fellow people of the God of Light! (PH) = Coughing myself up!

I was just conveying my love for "Legend of the Sun Knight". Here's my question:

When Grise is wearing the Sacred Dragon Mail, his hair is long and black. In Volume 3, Roland dresses himself as a woman and dons "clothes that look exactly like the Sacred Dragon Mail but are just ordinary clothes" so become the Holy Knight, so shouldn't his hair be his natural light brown color? Then in Volume 3, there's a scene in which Grise is a prince on the Sacred Dragon Mail and poses as Roland's Hell. But doesn't they have different hair colors? What's going on?

Nabe: Thank you very much for your empathy! Under the illumination of the God of Light, I remember to tell you... they're the same person! Thanks for catching this change! But actually the drawing style is different! > < So, Roland's hair is dyed black with magic when he puts on the Sacred Dragon Mail so he looks exactly like the Supreme Dragon! ... so that makes them twins!!!

Dans Neko Kuroz-senpai find any character particularly hard to draw—  
And Roland always looks so serious and spaced-out.

Will Neko Kuroz-senpai ever draw him with different facial expressions?

Neko: Hm... It's very hard to capture Judge's severity. I keep chastising myself for not drawing him cool enough whenever I leaf through my old sketches...

And Roland really looks spaced-out ♥ (rye) He doesn't have a lot of facial expressions to begin with, and he has a mask on when he's "Supreme Dragon", so there's only so much I can do.

o How important will Frost's role be in the future? (I love Frost so much—)

a What are the symbols of the Twelve Holy Knights?

Yurua: I think Frost has quite a lot of scenes among the Twelve Holy Knights!

He plays a very important role in Volume 4 of the novel.

Their symbols are very obvious! Let's play a game: Blueberry pie = ♪, Scarecrow = ♪, Bread = ♪, Cabinet = ♪

Neko: Frost will be featured very heavily once we get to Volume 4 of the novel!

Please look forward to it XD

LSR is so good ^-^ Please keep up your good work— Will Moon and Rock make more appearances? (w) I've almost forgotten what they look like Q\_Q

Neko: Thanks for your support > < The editor has mentioned the same thing, but Sen will be on an outing in Volume 3 — So we'll have to wait till he comes home XD

I often hear people talking about their height, weight, and measurements at school — So I really want to know the heights and measurements of the Twelve Holy Knights— I can't find them anywhere on the Internet! I only know Moon is eleven tall, and I hear Leaf and Cloud are both short. And Judge is supposed to be quite tall. We also know bit about Roland and Adler —

Please tell us their heights and measurements! Sorry... but I'm dying to know — Thank!

Yurua: Ah... I don't really like making up this sort of details because my memory is pretty bad. Instead of getting these things all mixed up, I'd rather let everyone make up their own versions.

The most I can do is tell you how their heights compare to each other. Among the Twelve Holy Knights, Cloud is indeed the shortest. Leaf isn't much taller and Rock is the tallest.

Hi Neko sama— I'm a big fan of yours. Your drawings are so beautiful! >!!<

Please keep up your good work! How often will each volume be released?

How many volumes will there be? PS. Do your best! ^ ^

Neko: There'll be a volume about every four months! I will! Thank you ^ ^
